Dear Prof. Al-Azab:

(1) Many thanks for your msg (**ATTACHMENT I**) with the information about your very interesting "ICT-Learn 2007" conference which is to be held in Cairo, Egypt on September 2 to 4, 2007.

ICT-Learn2007

"Towards Information Society "

Learning Anytime ... Anywhere

6th International Internet Education Conference & Exhibition

4-2 September 2007

Ramses Hilton, Cairo, Egypt

(2) I am taking the liberty of distributing your following information to our list members;

(a) Call for Papers

(b) Registration Form

<Registration form copy.doc> <<http://tinyurl.com/2wclls>>

(3) I am flattered to be listed as one of distinguished persons to attend the conference.

I was very sorry I could not attend your conference last year albeit your very cordial invitation, because I had to

make my fact-finding and assessment trip to Siberia to create GUS/Siberia — see;

Pls talk with Prof. Al-Azab if you both can together invite me with full travel support to this conference. I would be very delighted and honored to deliver my keynote speech.

Dear Prof. Al-Azab:

(5) You may rekindle your project of creating GUS/Egypt at this occasion — see;

(a) Letter from Prof. Dr. Ali Abdel Rahman, President of Cairo University with funding inquiry,

After this conference, I may visit several higher educational and healthcare institutions which may be willing to participate in the project, as GUS/Egypte consortium members.

Dear Fouad:

You may construct a similar funding inquiry material for your GUS/Palestine/Gaza Strip project.

Dear Gloria:

(6) Many thanks for your msg (**ATTACHMENT II**) in response to my following list distribution;

**(03/31/07) Peace e-Learning Initiative/Pilot Project
with possible GUS/Palestine/Gaza-Strip**

Dear Sir/Madam

Strategies for accessible, effective and innovative education, Quality Assurance in Education, Technical and vocational Educational and training to achieve access for all, learning opportunities throughout life, and high quality , relevant and effective programmes; these are just some of the themes that are topping the ICT-Learn2007 forum's agenda , and will be explored at Sixth International Internet Education conference this September in Cairo, Egypt. How to exploit technology or hybrid delivery strategies to provide new ways of learning? What kind of Pedagogical implications of electronic delivery of education? What are the leveraging technology to deliver professional development opportunities?

Under the theme of -“ ***Learning Anytime . Anywhere***”, which is echoed throughout the event, the conference will focus on all the key areas driving the ICT in Education. It will feature a broad range of high-level speakers, drawn from university, industry as well as government. Some of the top names taking part include Prof. Takeshi Utsumi, Chairman, GLOSAS/USA, (Global Systems Analysis and Simulation Association in the U.S.A.) ; Prof. Craig Zimitat, Deputy Director, Griffith University, Australia; and Prof. John

A. Spinks, University of Hong Kong.

The forum **will be held** Under the Auspices of **H.E. Dr. Ahmed Nazif, Prim minister of Egypt**, and will bring key industry figures together with professors and government representatives, to examine the technologies and policies driving growth in Education.

Please find attached our call of papers. Forum registration is now available online at : www.distant-learning.net <<http://www.distant-learning.net/>> . Register now for a forum, and benefit from a discount of up to 25%! , to find out more , please visit HDF website at www.hdf.org.eg <<http://www.hdf.org.eg/>> .
