Subject | Sujet UNEVOC Centre Award to your Organization

Annex / Annexe Data Confirmation Form

Dear Pekka Ruohotie,

In recognition of you and your organization being a proactive UNEVOC Centre in furthering UNESCO goals in Technical and Vocational Education and Training, and in acknowledgment of your organization's membership of the UNEVOC Network, it is our great honor to present to you and your organization a UNEVOC CENTRE AWARD.

The UNEVOC CENTRE AWARD consists of two plaques and a personalized certificate. The large plaque is intended to be displayed on a wall in a visible location in the lobby of your institution, while the smaller one is for display in the director's office. We hope the AWARD will be a source of enduring pride and motivation for you and your colleagues.

The large plaque is a solid (approximately 42 x 30 cm) dark-color wooden board with a slightly smaller metal plate of golden color mounted on it. The name and nature of the AWARD is engraved on the metal plate. The smaller plaque is a solid (approximately 24 x 16 cm) golden color metal plate, which bears the same information as the larger plaque.

In addition, a personalized certificate will be dispatched to the UNEVOC coordinator with the name of your institution. It will be provided in a folder (approximately 20 x 30 cm) with the UNEVOC logo and corner slots inside to hold the certificate.

In order to ensure that your AWARD will be delivered to the correct address, and that the certificate bears the correct name of your institution, we would like to ask you to provide us with the following:

(See attached form)

- Indicate the name of your institution to show the way it should appear in the personalized certificate (please in BLOCK LETTRES);
- Check the address below. Correct if necessary and indicate the address the AWARD should be sent to; and fax the form back to us (+49 228 815 0199) without delay.

Please note that your timely response is very important to us. We regret that should we not receive this information by the 20th of November, 2007, we will not be able to have an AWARD for your Centre produced and dispatched to you this year.

If you have any queries, kindly contact Ms. Rula Atweh, Assistant Programme Officer, at r.atweh@unevoc.unesco.org

Yours Faithfully,

Rupert Maclean
Director
