Dear Walter:

(1) Many thanks for your msg (**ATTACHMENT I**) with your report of preliminary planning workshop to create Global University System (GUS) for Nigeria (GUS/Nigeria) (Reference (a) above).

Pls send me full address, brief bio (and if possible, photo) of the attendees of this workshop so that we can construct a member list as similar to the one of GSEED project at <<http://tinyurl.com/r4ppmh>>.

Dear Peter:

(2) Many thanks for your excellent concept paper (Reference (b) above). Thanks also for your mentioning our GUS and GCEPG projects in it. Let's start contemplating how to realize your vision.

Dear Andrea:

Pls take a look on his concept paper. Peter took a seminar on system dynamics by your Millennium Institute last month, which was held at the University of Bergen, Norway (your alma mater). Peter may be a good person to help your constructing the Nigeria national energy economy model for ECOWAS.

Keep in touch.

Best, Tak
